GUESTS WITH DISABILITIES

Welcome to the Town of Alexandria Arena. All patrons should know the criteria required to ride. All riders must be able to independently maintain seated postural control under the dynamic conditions of the rides. The Bumper car ride requires the ability to grasp with one or both functional hands, brace with one or both functional legs, or maintain control of head, neck and limbs. Mobility aids and prosthetics should be left off of rides

RIDER RESTRICTIONS

Bumper Cars have age and weight restrictions. Town of Alexandria **cannot make exceptions.** These requirements are set forth by ride manufacturers to insure rider safety. Small guests and physically impaired guests must also meet these requirements without exception. Riders must additionally be able to receive, understand and follow direction. Riders must also be able to independently sit up and hold on throughout the ride. Due to the designs of seating safety devices on various rides, exceptionally large people may not be able to ride the Bumper Cars. These restrictions are a safety measure, so we ask for your cooperation and understanding.

RIDER MISCONDUCT

Any person disobeying park rules, engaging in horseplay, or acting in a way that is considered unsafe by park management to that person or other persons may be asked to leave the arena or ride area without refund. If a rider is injured due to misconduct, Town of Alexandria will not assume responsibility. Please keep hands and feet inside and remain seated at all times.

INTOXICATED GUESTS

If you are under the influence of drugs or alcohol do not attempt to ride any rides for the safety of yourself and others. Town of Alexandria reserves the right to deny any guest suspected of being intoxicated access to amusement devices. Arena Operator reserves the right to ask intoxicated guests to leave the arena without refund.

AMUSEMENT RIDE DYNAMICS

There are certain physiological changes that may occur while riding amusement devices. If you have any condition that may be affected by motions or forces associated with those created while riding an amusement ride we suggest you do not ride. The action of some rides may cause motion sickness. If you suffer from motion sickness we suggest you do not ride. We suggest that you observe the rides in motion before riding if you are unsure about riding.

YOU SHOULD NOT RIDE IF YOU HAVE

- Heart Condition
- Back or Neck Disorders
- Pregnancy
- Seizures
- Dizziness or Motion Sickness
- Other Physical Ailments which may be aggravated by the motions of the rides.

WE HOPE YOU HAVE A FUN AND SAFE EXPERIENCE AT THE TOWN OF ALEXANDRIA ARENA.

IF YOU HAVE A CONCERN, QUESTION OR COMPLAINT THE ARENA OPERATOR CAN BE LOCATED IN THE FACILITY.
