Approval of the minutes: n/a

Privilege of the floor

Gerard McGreevey & his wife, Tennis Island; Represents a group of neighbors who are concerned with the short term rentals; like Air B&Bs that is occurring on the Island. McGreevey read a letter to the board giving insight on some NYS multi dwelling rental rules and asked the board if a committee has been started and if regulations are in motion to address the situation. Councilman Mike Fayette told the McGreevey's that it takes time to begin the process. Zoning and planning board are aware that there is a need for regulations and will look into the matter in more depth as soon as they can. McGreevey stated he would like to be on the committee. Question was asked if there was any codes on the books right now, and board referred them to Zoning office. Zoning stated that he asked questions to the Town's Attorney but has yet to hear from him.

Perry Goldman candidate for Jefferson County Sheriff: Goldman introduced himself to the board giving information on his experiences in law enforcement and his knowledge and longevity on the job.

Jerry Delosh candidate for Jefferson County Sheriff: Delosh introduced himself to the board expressed his platform on what he would like to see if he becomes Sheriff.

Bernier Carr Associates update: Rick Tague introduced engineers working on the (Route 12) Recreation Center Project and updated the members on aspects of the work being done. Discussion was held relative to the grant application and the need for letter of support. It was also explained that if the grant was not approved, it could be reapplied for. Suggestions were also made to consider having a marketing plan for the facility.

Rob Campany reviewed his town engineering report with the board. Extensive discussion was held concerning the water breaks on Route 26, what caused them and how to correct the problem. Mr. Campany also presented a report on the Goose Bay Dock outlining basic bids as well as additional alternatives. It was agreed that any resolution concerning this project can wait until a full board is present. Discussion was held relative to a pavilion at Butterfield Lake.

The youth program report was reviewed and discussion was held about extending the size the shed for a larger area to store the sporting equipment.

The board agreed to wait to appoint a new member to the bed tax committee until the full board was present.

The board agreed to wait until a full board meeting to do the assessor appointment resolution.

Meeting adjourned at 8:44pm until June 30, 2022
