

NOTICE SPECIAL MEETING Town of Alexandria Friday July 9th, 2021 at 9:00 am

Purpose: To transfer funds within Fund DB & to advertise for part-time highway worker

- 1.) Transfer funds from DB 51104.4.1 (Maintenance of roads PS) to DB 51122.4.2 (Permanent road improvements CE)
- 2.) Transfer of funds from DB 51121.4.1 (Permanent improvements PS) to DB 51122.4.2 (Permanent road improvements CE)
- 3.) Resolution to advertise now for part-time highway worker for the four (4) month period, December 1, 2021 through March 31st, 2022

The town highway superintendent previously agreed to the town reducing its workforce at the town highway barn through attrition as long as the town replaced that position with a part-time employee to plow snow from December 1st through March 31st. The board's intention is to allow those saved payroll monies to be used for permanent road improvements, ie. paving of town roads.
